This JCR notes that

The Worcester Garden Play is happening in Trinity term! "Much Ado About Nothing" is heavily Worcester based, with over three quarters of the cast and crew coming from the college.

This JCR believes that

In order to help put on the best show possible - which will reflect very well on Worcester, and will raise morale in the college community during Trinity term, which is always very stressful - the JCR could contribute towards the budget

This JCR resolves to

Give £200 to BUSKINS to put towards the play's budget
